

Happy Birthday Song Cards

This time, when we sing “Happy Birthday,” sing at a higher pitch than you did before. (Start on a higher note and continue in that new key for the whole song.) Do not sing louder, just in a higher pitch.	This time, when we sing “Happy Birthday,” sing at a higher pitch than you did before. (Start on a higher note and continue in that new key for the whole song.) Do not sing louder, just in a higher pitch.
