Date: _____

Image Observation Table

Your teacher will show you 8 different images of landscapes that have changed in some way. Each landscape has layers that are disappearing, or places that were once covered that have been uncovered, similar to Everest. Using this sheet, record your ideas about what might have caused each location to change next to the image number.

Image Number	What may have happened	What we figured out
Image 1 <i>Rock in Water</i>		
Image 2 <i>Abandoned House in a Meadow</i>		
Image 3 <i>A Road</i>		
Image 4 <i>Sidewalk in a City</i>		

Image 5 <i>Rock in North Dakota</i>		
Image 6 <i>Rocks on a Mountain</i>		
Image 7 <i>House on a Cliff</i>		
Image 8 <i>Steps in a Forest</i>
